The Loan Committee of the College Woman's Club submits the following report :-

L. Work of the Committee In June

A parent in making informal application for a loan offered life insurance policies to the club as security, thus rasiing the question of taking out similar policies as security for all loans. This therefore, was the first matter to be investigated by your committee. Representatives of two reputable insurance companies were interviewed by various members of the committee and the results of the investigations were carefully considered at two meetings of the committee. The following conclusions were finally reached:-

1. If endowments policies were taken out for 20, 15, or 10 years the premiums paid to the club at the end of that time would little more than equal the amounts paid to the company during the time, so that there would be no benefit other than protection in case of the death of the applicant.

2. In case of death, the only claim the club could make would be the actual amount of indebtedness, namely, the amount of the original loan, the interest on the loan and the premiums paid. Any balance would by law go to the legal heirs and not to the club. In other words the College Club would actually be securing the family against the death of the child.

3. The committe, having been given this power, decided to make all loans without security except the personal note of the borrower and to recommend to the Executive Committee the establishment of a sinking fund to take the place of the insurance scheme. The money for this sinking fund could be set aside yearly from the dues and placed at interest, thus forming a guarantee against loss.

4. The following form was adopted as the form to be used by all persons making application for loans:-

Princeton, N. J.,

(Date) 1916.

I hereby make application to the Women's College Club of Princeton for a loan of _____ said money to be refunded six years from date. This loan is to be without interest until the fifth year; after that at the yearly rate of five per cent.

(Signed) _____

Approved _____
(Parent or Guardian)

5. The following form was adopted for the personal notes:-

Six years from date I promise to pay to The Women's College Club of Princeton, N. J., the sum of _____ _____ Dollars without interest until _____ _____ after that at the rate of five per cent.

In June the following requests for loans were made:-

Case 1. Application for $50.00

Case 2. " " $150.00

Case 3. " " $100.00

Case 4. Indefinite amount if needed.

As this bade fair to exceed the amount collected for the Loan Fund, it was decided to confer with the Alumni Association of the High School concerning the $100 which had been given by the Graduating Class of the High School in 1914. ~~for similar purposes to assist worthy~~

It was impossible to get formal action from the association during the summer, but ~~those in charge of the fund~~ one of the officers ~~of the Association~~, suggested that the

money be loaned to the Women's College Club on a demand note of the treasurer without interest, and then loaned by the Club in connection with its own funds. The Committee decided to act upon this suggestion.

Applicants were notified that requests had been granted and that funds would be available after September 1.

II. Work of the Committee in September.

Case I. withdrew request, having found it impossible to go to college this year. As this case had been especially interesting, one member of the committee was asked to investigate to see if in any way it could be made possible for the girl to go and funds were reserved until lat in September. The situation was finally reported hopeless.

Case 2 changed application to $125- granted.

Case3 changed application to $125 - granted.

Case 4 reported that older brothers and sisters would be able to help her through this year, but asked if assistance would be available the coming year. This case is recommended to the Loan Committe for 1917.

Case 5 developed in September. A scholarship had been secured for this girl, but a balance of $275 was needed for her year's expenses. $75 of this amount was raised among friends by one of the clergymen of the town. Applixation was made to the club for tehe remaining $200. The Committee at once made an effort to have the $75 paid to ~~it~~ into the club fund ~~x~~ so that the whole amount could be loaned as one sum , thereby reducing the number of such agencies in the town. In this your committee failed and the $75 was given directly to the girl. At the time the treasurer had a balance of $100. Effort was made to get another hundred dollars from the Alumni Association, but it was time for the girl to start for college before the necessary formalities could be settled so a member of the Alumni Association , as an individual, loaned one hundred dollars and the club loaned another hundred.

In conclusion the committee recommends-

1. The serious consideration of the establishment of a ~~Loan~~ Sinking Fund to be set aside yearly from the dues as a guarantee to the Princeton people who contributed last spring and were told the money would be loaned on security.

2. That Case 4 be given consideration next year.

3. That arrangements be made to reimburse the individual who loaned the hundred dollars-either by borrowing the necessary amount from the H. S. Association as originally planned, or by asking for gifts to that amount.

Respectfully submitted,

Mabel S. Vanderbilt

A meeting of the Executive Committee of the Womens College Club was held at the home of Mrs. Beggs on Monday, Jan 14, 1919 at 4:30. Twelve members were present, and Mrs. Beggs presided. The minutes of the previous meeting (The general meeting of the Club on Dec. 7, 1918) were read and approved.

The treasurer reported that the Club had on hand $178.60, $54.34 of which was in the pustrip fund, and $124.26 in the general fund; also that $80 of the $100 promised as a special contribution was on hand. It was moved and seconded that this amount ($100) be given to the students for whom it had been specially contributed. The motion was carried.

The secretary, Miss Louise Stoddard, having left town, Mrs. Van Doesen was elected secretary.

Mrs. Blau was asked to consult with Mrs. Freeland with a view to finding out whether

serious planning for some time ahead on the part of the borrower.

March first three applications were received for loans of $300, $225 and $150 respectively from the two students in college and already borrowers from the club and from a third who wished to begin her course.

Early in the summer it became clear that the Club would not be able to make these loans in full to any of the applicants and two withdrew their applications. That made it possible to pay the $300 asked by the remaining student who is doing very good work and whose course it would have been the greatest pity to interrupt.

You will notice that this loan was paid entire at the beginning of the year so that we are not annoyed by the hand to mouth installment system of the previous year. And that policy is to hold in the future we hope.

Another application was made in September for $100. by a fourth student to whom the Club had lent money before. While not being able to grant any money the committee was able to put the student in the way of securing it from the High School Alumni Fund.

the Present Day Club would entertain a suggestion that the two clubs unite to cooperate in some way in the use of the Rose Cottage Tea House. There was a general discussion in regard to ways and means of raising money. The serving of lunch on the day of the ball game during Commencement week was favorably discussed. It was decided to ask Mr. Weintringer whether he would assist in the plans.

Miss Scott's resignation was read, but not accepted. Mrs. Compton was appointed chairman of the Membership Committee. Mrs. Beggs suggested a social and musical evening, at which Mrs. Voorhees and Mrs. Brown should furnish the music. Both active and associate members to be invited. The suggestion was adopted. On motion the meeting adjourned.

Respectfully submitted,

The "social and musical evening" suggested at the meeting of the Executive Committee on Jan. 14 was held at the home of Mrs. Loomis on February 25th. In spite of the rain, about 55 members were present, and a most delightful musical program was rendered by Mrs. Voorhees and Mrs. Brown. The program was followed by refreshments and a very enjoyable social time.

May 16, 1919.

Meeting of the Executive Committee

A meeting of the Executive Committee was held at the home of Mrs. Beggs, May 16, 1919, at 7:30. Fourteen members were present and Miss Scott presided.

The minutes of the previous meeting were read and approved.

Mrs. Loomis, as Chairman of the Loan Committee, reported that the Loan Committee recommended:-

1st. Payment of a loan of $300 to the applicant whom the Club has helped before. Mrs. Loomis spoke of a most appreciative letter from this student. It was moved and seconded to adopt this recommendation and the motion was carried.

2d. That hereafter no loan of more than $200 for Freshman year or $150 for succeeding years should be loaned to any one girl except by the unanimous vote of the Loan Committee; this, not because of lack of confidence in the students but because of the excessive burden placed by larger loans on the student after graduation.

This recommendation was adopted.

3d. That the Club should neither receive nor handle funds, the use of which was restricted to any certain individual.

This recommendation was not adopted.

Then a motion was put that the Club should receive and handle funds, the use of which was restricted to any one individual, only at the discretion of the Loan Committee.

This motion was carried.

4th. In connection with the last recommendation, it was recommended that a prize fund of (say) $50 be set aside for competitive prize each year. No action was taken.

After some discussion it was moved and seconded that a borrower should begin to pay interest on her loan the September after her permanently leaving college, whether she graduates or not. This motion was carried.

The treasurer reported that the Club had in the general fund $107.01, in the Dinning

fund $32.74, a $50 liberty bond having been bought.

Miss Louise Smith reported from the play Crawford a balance of about $90.75. This was not accurate as all bills were not yet in.

The motion was carried to send a formal vote of thanks to the ladies of Lawrenceville for their charming production.

Mrs. Bayers reported on the tea room. It was moved and seconded that the Executive Committee express its appreciation of the initiative and ability of the tea-room Committee. The motion was carried.

Mrs. Beggs spoke of the Commencement luncheon which is being planned. She reports that we can purchase all foods for the luncheon through the University Commons; also that Mr. Weintringer will allow us to use Proctor Memorial and the tables and chairs from the Gymnasium. The Committee is planning to serve hot coffee, iced tea, sandwiches and ice cream. One class of 200 wants also salad which will be served them.

Miss Scott said that because of

her leaving Princeton shortly, her resignation as Chairman must be accepted. It was moved and seconded that the Chairman be empowered to appoint a committee of two to act as a Nominating Committee to find some one to carry the Club through the summer and call a meeting in the fall for elections. Motion carried.

On motion, the meeting adjourned.

Respectfully submitted,

Jack H. Van Hoesen.

Secretary.

General Meeting of the Women's College Club of Princeton.

A general meeting of the Women's College Club was held on May 19, 1919 at the home of Miss Scott. There were 13 present and Miss Scott presided.

The minutes of the last General meeting and of the last two Executive Committee meetings were read and approved. The treasurer's report was read and approved, as was also the report of the tea-room committee. There followed a discussion about advertising the tea-room. Various suggestions were made, such as the use of posters, signs and so on, and the personal advertising of the tea-room by members of the Club.

It was moved and seconded that a report of what had been done during the year be sent to every member, both active and associate. The motion was carried.

Mrs. Beggs then read a letter from Mrs. Douglass, the Dean of the College for Women of New Jersey, and reported a luncheon given by Mrs. Douglass at the College to representatives of various College Clubs.

On motion, the meeting adjourned.

Respectfully submitted,

Ruth H. Van Hoesen.

Added by Mrs. Beggs:

At the luncheon given by Mrs. Douglass in a room adjoining the Domestic Science laboratory, representatives from at least ten College clubs in New Jersey were present. All were anxious to hear of the prospects for the new college, and in the course of the conversation Mrs. Douglass said that over 319 applications for admittance had been received, when there was room for only 50!

The state had not passed the bill asking for an appropriation of $50000, but it seemed probable that the necessary amount could be raised outside. New dormitory space was the pressing need. Scholarships were urged to be founded by the clubs, the amount needed each year by a student for tuition and board being about $500. The guests were shown through the two buildings, which were very pleasantly situated and equipped.

Report of the Committee on the Commencement Luncheon.

Plans were made to serve 2000, with sandwiches, iced tea and hot coffee, and a luncheon of sandwiches, potato salad and coffee planned for the class of '94.

Meeting of the Executive Committee

A meeting of the Executive Committee was held on October 20th, 1919, at 7:30 at the home of Mrs. Biggs.

The secretary's minutes of the general meeting in May were read and accepted with the following corrections: that a more detailed report of the luncheon given by Mrs. Douglass be made; that the report of the Commencement luncheon plans be included.

The treasurer's report was read and accepted. The Loan Committee recommended that $50 be loaned to the applicant who applied for that amount

this September, that sum having been free to loan her. It was moved and seconded that this sum of $50 be paid immediately to the applicant by the treasurer.

A report of the Commencement luncheon was given by Mrs. Biggs; a profit of about $150 was realized. It was recommended in case this service of a lunch at Commencement be undertaken again, that orders should be taken for special quantities and special viands; that, if served to the public, it should be done in such a way as to be movable.

A report of the tea-room equipment was given by Mrs. Raycroft. The Committee did not recommend continuing the tea-room unless one person could

run it and take the responsibility for it. The motion was made and seconded that the College Club should not buy the equipment, and that the committee should dispose of same as seemed most advisable. As there are several prospective buyers, this was accepted.

Recommendations to the new Executive Committee were made, viz. (1.) to form a social committee, with the idea of having a speaker each month for the Club; (2) that a membership committee be formed immediately to invite new members to join; (3) that a revision of the constitution be made in the early future.

same to be sent to all members, with a list of the active members appended.

Nominations for officers were asked from the floor.

For chairman: Mrs. Davis
Mrs. Lewis
Mrs. Fetter

For vice chairman: 2nd lowest no. of votes of nominee for chairman.

For secretary: unanimous nomination of Mrs. Van Hoesen.

For treasurer: unanimous nomination of Gertrude Purves.

The meeting was then adjourned.

My dear ~~Mrs~~ ~~Mrs~~

At the general meeting of the Women's College Club held on Tuesday, May 16, the report of the Executive Com. showed pressing need of a Loan Fund available at once and it was decided to make an effort to raise three hundred dollars ~~at once~~. To this end it was voted that every member of the club should collect at least five dollars within the next month ~~sixty~~ by securing contributions ~~sixty~~ from women desiring to become associate members of the club, or from any one interested in keeping ~~girls to finish~~ girls wishing to become self-supporting, four such having applied for aid for the coming year.

It is hoped that all members will make an effort to raise more than the minimum named, that ~~at least~~ three girls may be helped to begin their college course. Please send all contributions to the treasurer, F. May Begg (Mrs Geo. N. Begg) 78 Jefferson Rd.

Sincerely yours
